THE GAZETTE CREW

What are my options?

Choose one of our menus below

Each menu is balanced with Vegetarian, Fish and Meat options. Feel free to “mix and match” from the different menus, or even include one of our signature dishes in your choices, our chef will then price it up accordingly.

A la carte

Not keen on set menus?

Go full “A la carte” (with conditions) or alternatively Pre-order a few starters in advance and choose your main course on the day. This will allow us to serve starters promptly once the main course is ordered, avoiding any waiting time.

Note this option is available depending on the day of the week and the number of guests and at the manager’s discretion.

My budget...

The quotation

Once your basic choices have been made we aim to offer you, prior to the event, a full breakdown of your cost, this will include an estimation of the drinks consumption, food choices and service broken down per person for a “surprise free” settlement.

From then on.... you decide and set the bar !!! we stick to it, or we can even let you know discreetly where you stand during the event.

LAYOUT AND PLANS

"La Salle à Manger"

This popular area offers complete privacy and overlooks our wine cellar; it features an antique Brittany farm table and large seashell chandelier. Considered by our regulars as the perfect setting for family gatherings and decorated with artefacts brought back from years of antique hunting in France and memories of fine wine drinking.

Seating capacity varies up to 14 people

"L'Ardoise"

This private area features a rustic "drift wood" panelling décor combined with a large table made of blue-black slate from northern Wales (coloured chalks provided). Originally designed to offer the young something to do while the grownups eat, it quickly turned out that we targeted the wrong crowd as often the opposite transpires!!!

Seating capacity varies up to 12 people

"Le petit étage" and "L'étage"

"Le petit étage" forms part of the upstairs dining room and features leather banquettes, comfortable cushions and a book shelf. This area is ideal for larger group.

Seats approximately 50 people / 60 people standing

"L'étage" consists of the entire upper floor area and accommodates much larger groups.

Seats approximately 90 people / 110 people standing

Exclusive use

GAZETTE is also available for your exclusive use; we will tailor-make the event to your exact requirements. From a tasting menu to a canapés selection.

Minimum spend applies

- We will provide you with guidance on the seating availability as well as different layouts and plans.
- There is no room rental or charge.
- Please note that our rooms and lounges are also available for meetings and reunions from 8am.
